<p><b>Trust &amp; Empowerment</b></p> <p>We must be able to work in an environment in which we trust each other to take responsibility for our roles and actions, and empower each other to make the right decisions.</p>		<p><b>Diversity</b></p> <p>We will embrace the opportunities of a diverse workforce, valuing and drawing upon their opinions, origins and skills.</p>		
	<p><b>Recognition &amp; Celebration</b></p> <p>We will search out and welcome opportunities to openly celebrate achievements of individuals, teams, employees, suppliers and clients for delivering results that contribute to our success.</p>		<p><b>Partnership</b></p> <p>Through partnership with our internal and external stakeholders we will seek to serve our wider community and have a positive impact in delivering social value.</p>
